

Ducharmes Tools are Known by The Ducharmes Trade Mark.

WE make a specialty of Hand Forged, Hardened and Tempered Screw Drivers, using positively none but the highest grade stock in both steel and handles.

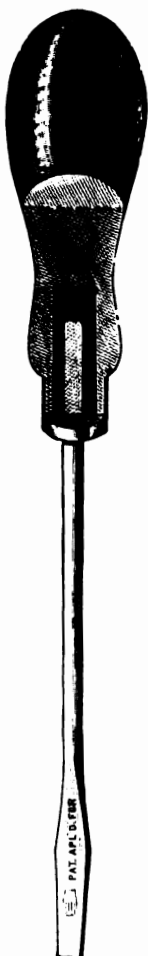

We guarantee each driver to the trade, and will replace free of charge any that break, bend or are not perfect in all respects.

Each driver is tested to break a screwhead in its size.

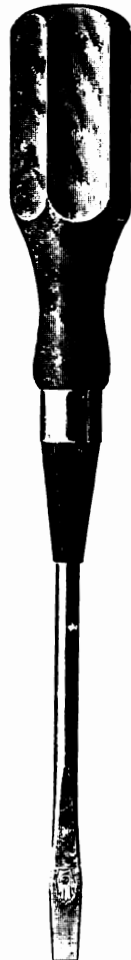

Our Latest Catalog ought to be in your hands. Our liberal trade discount sheet goes with it.

We know it will interest you.
